INTERESTS

Singing · Dancing · Learning · Reading Books · Play Cricket

PROFESSIONAL SUMMARY

The problem is likely that your previous prompt emphasized soft vocals, gentle instruments, and intimate delivery too much. This new prompt explicitly prioritizes full-volume vocals, professional loudness, powerful instrumentation, clear mixing, and mastering-ready production while keeping the nostalgic 90s Bollywood romantic sadness.

WORK EXPERIENCE

Software Engineer
Tech Sunset Pvt. Ltd. · Bengluru
Feb 2022 – Apr 2024

Full Stack Developer
Dyne Infotech Pvt. Ltd. · Mumbai
May 2024 – Present
